The Court, at the stage of admission, made the following :

JUDGMENT: *(per BRSR,J)*

We are not inclined to interfere with the well-considered order passed by the learned Single Judge dismissing the writ petition. The entrustment of the work earlier under the "Food for Work Programme" for the petitioners-appellants itself is based on the recommendation of the then M.L.A. The work could not be completed and undertaken on account of issuance of election notification, and after the elections, the execution of the work is now entrusted to somebody else, based on similar recommendation letter of local M.L.A. It is not as if the work earlier was entrusted to the appellants herein pursuant to any invitation of tenders, which was only on the nomination basis and obviously, the work could not be completed by the appellants herein, which is now entrusted to some other individuals under the "Food for Work Programme".

We find no right of the appellant infringed requiring our interference.

The writ appeal fails and shall accordingly stand dismissed.
